

Lib. X. Ordered that Captain Bostock bring down from Turkey Point her Majestys Advice Boat Eagle to receive the further Commands of this Government

Ordered that the several Vestrys of the several Parishes of this Province send their Acco<sup>ts</sup> to the Clerk of the Council Especially South River Parish & S<sup>t</sup> Pauls in Baltimore County

October the 12<sup>th</sup> 1702

Present

The honble Tho Tench Esq<sup>r</sup> President

the honble { Robert Smith Esq<sup>r</sup> L<sup>t</sup> Col<sup>o</sup> W<sup>m</sup> Holland

 { Col<sup>o</sup> Edward Lloyd M<sup>r</sup> James Sanders

The petition of John Hill and John Stokely of Sussex County in Pennsylvania being read & the reasons & prayer therein set forth being well considered this Board do advise & desire the Provincial Court not to proceed to Judgment in the said Cause until the dividing Line is run between this Prov<sup>s</sup> & Pennsylvania so that it may be ascertained in which Province the Land lieth the Lands in Question being taken up by several Rights

Came S<sup>r</sup> Thomas Lawrence Secry & Complained that M<sup>r</sup> Charles Carrol had given him an account of Eighty two Patents prepared this present year but had not sent them into his Office to be recorded & was gone for England that he had wrote to Col<sup>o</sup> Darnal about the said Patents who had returned for answer that he knew nothing of them but when they were prepared & sealed he would send them in as Usual

p. 296 M<sup>r</sup> James Carrol Attorney in fact to M<sup>r</sup> Cha Carrol being Sent for & asked for the said pattennts says he is Sensible they are in M<sup>r</sup> Carrols House but that they are not prepared to be sent to the Secrys Office being neither signed nor Sealed but that so soon as ready will be sent to the said Office

Ordered that Col<sup>o</sup> Darnal have notice to prepare the said Pattennts with all Convenient Speed & send them to the Secrys Office to be recorded according to his late Majestys Order in Council.

The honourable President acquaints the Board that upon the death of M<sup>r</sup> W<sup>m</sup> Wyvill riding Surveyor at the head of the Bay he had sent a Commission to M<sup>r</sup> William Dyer but being since that acquainted that Edw<sup>d</sup> Randolph Esq<sup>r</sup> Surveyor General was arrived in Virginia & not knowing how far his Commission might extend had called it in & prays
