Council

Upon reading the petition of the Inhabitants of the Upper
part of prince Georges parish in prince Georges County
Complaining of the proceedings of the Vestry and Church
Wardens of the said parish as also the petition of the said
Vestry in Answer to the petition afores^d and upon hearing of
Council on both sides it doth not appear to this Board that
the said Vestry have pursued the Intention of the Act of As- p. 197
sembly Entituled an Act for dividing part of Saint Johns
Parish in prince Georges County and for erecting part thereof
into a new parish by giving notice to the Freeholders thereof
to make Choice of a place to build and found a Church upon
as that Law directs it is therefore Resolved that they ought
to give publick notice to the Freeholders to appear for ap-
pointing a proper place to build a Church pursuant to the
said Act and it is further the Opinion of this Board that the
Scituation of the present Chappel is no ways Convenient to
found or Build a Parish Church upon being too remote from
many parts of the said Parish as likewise that it doth not appear
that the said Parishioners have any certain right or Freehold
in the Scite of the said Chappel and Ordered that the Clerk
serve the said Vestry and Churchwardens with the above Re-
solutions of this Board

Copy whereof was served accordingly

Referred the Consideration of the Representation of Philip
Lee Esqr till the first Tuesday in Iuly next at which time the
