

By the House of Delegates 4th November 1710.

L. H. J.
Lib. 41.

Our Esteem for the Act for relieving some Aggrievances is still very great notwithstanding it's short Duration and we conceive that unless this Act had been past few Inhabitants would continue here and we think the Preamble of the Law sets forth the Necessity of the making of it which is to ease the Aggrievance and quiet the Minds of the Inhabitants of this Province which we hope will preserve your Honours from any Censures at Home for passing it. And the Shortness of Time for which that Act is made will discourage any Persons from making any Interest at Home for it's Repeal when her Majesty's Disapprobation if procured cannot probably arrive before the Expiration of it and therefore we conceive the feeing an Agent to speak to it an unnecessary Charge

Signed p Order Richard Dallam Cl. Ho. Del.

Sent up to the Council by Major Gale, M^r Bowles and M^r Wright

They return and say they delivered the Message.

The House proceeds to tax the Fees for private Bills past this Session
