Whereas it is represented to this Board by M^r Charles Goldsborough Clerk of Dorchester County that the Justices of the said County have heretofore allowed the said Charles Two thousand Pounds of Tobacco for laying the County Levy which they last Year refused to do, and whereas the said Justices have also refused hitherto to allow the said Charles for issuing Warrants to the Overseers of the Roads and for entering the said Roads and the Appointment of the said Overseers It is therefore by this Board recommended to the Justices of the said County of Dorchester, that they make him the said Charles Goldsborough such Allowance for laying the County Levy as that Court has usually done, and it is also recommended to the said Justices that for the other Services abovementioned they make him an Allowance according to the Regulation of Officers fees made by the Right honourable the Lord Proprietary in Council 14th of April Anno Domini 1733.
