Sir

I have this day received your Letter in Relation to the Loss of his Catholick Majesty's Ship the Greyhound under your Command, And you may be Assured of all the Assistance, that lies in my Power, in recovering such of the Effects as have been Plundered out of the said Ship by any of the Inhabitants of this Province

And indeed without waiting till I heard from you I thought it my duty, as soon as the News of your Misfortune arrived at this Place, to use my utmost endeavours to Secure as many of them as Possible, in order to their being delivered, to such as might have Authority to demand the same, for the Use of his Catholick Majesty Conformable to the Treaties of Peace and friendship that happily Subsist between the two Crowns.

If I might Presume to give you any Advice, it would be to Authorize some Person to Receive the Mahogany and the Other Effects, who, by the Assistance of the Several Governments concerned, might Recover more of them than can well be Contrived by any other means

I am heartily Sorry for the Occasion of this Correspondence And am with very great Regard

S^r
