

Bill of Ex^a for £46: 18. being one of the Bills you had sent me for paym^t the Person she had drawn the Bill was not to be found, by report gone to Maryl^d I hope you have rec^d mine of the 13th of May 22^d of Aug^t & Sept^r the 9th as they are of Importance with Instructions. You Surprise me at Doctor Stuart's hint to you ab^t the money in the Land Office it being near a year since a joint Judge has been Added so to him. If I had Power, he wo^d n^t a been the man I sho^d have directed such Gratuity. You may depend he has no Authority from me for his Ascertainment or Claim. I've rec^d from him the whole paym^t of £100 p^r Ann due to 28th of febr^y last, in w^h was included M^r Young's Deces^d paym^t for each p^d me £50 p^r Ann the D^r was then in Arrears to me however as I rec^d all due from him I desired he would ajust M^r Young's Quota with the Exc^y & th^t from M^r Young's Death until the appointment of another Person jointly with him I shos^d expect the whole of my Return from him this is all in Effect I write. I am sensible the Emergency & Ex- pence a Gov^r is at requires all Aid to Reimburse him his Charges, therefore Credit him not, nor none else that shall at any time say or hint the same. On my part I regard all such perquisites belong in Preference to the Gov^r I wo^d n^t let him have a denier

But as Gov^r ajust & reimburse my Legal Demands, Extras. I am sorry you have appointed him to Act in My office of Sec^y as you had done it I have write him word I wo^d allow him 10 p^r C^t until my Appointm^t of Deputy took place. I beg the favour of y^r Inspection by an ajustmt of Acc^{ts} since M^r Jenings Resignation. If M^r Plater did Accept My Ball: due from fees was at £200 p^r Ann. If he did not then all ffees are due to me to M^r Tasker's acceptance, he paying me after as p^r Agreem^t with M^r Plater. As to the Charges for Execution of the business of the office during the Inter space before M^r Plater or Stuart Act'd such Charge I desire may be reimbursed to the Clerk or Person who Acted in the Office.
