My Lord desires you will inquire into the matter of the Compl^t with such Notice to the Parties Charged, that they may make Suitable Redress to him, as well of good Behaviour to M^r Lloyd.

The Proposition of a Poll Tax you inclosed on the Taxable Inhabitants is by all here disaproved, at the rate of Tax calculated at twelve shillings p^r Poll Rich & Poor. Lady Baltimore died at Woodcote Park the 18th of Aug^t Y^r Letter to Lord Loudoun with others are delivered. My Comp^{ts} to M^r Daniel Dulany on his promotions, his & M^r Bordley's knowledge Accounts. Others have Merit, why not M^r.George Stuart? he seems the only one that can Carry an Election as My Lord's Friend, & as so, tis write from the Province he'll be turn'd out right or Wrong; However is it not the time of Choice of an Opponent from the Lo: H. as a continuance of Proof that what they aledge is not Real, But in view of taking the Loaves & fishes. On closing I have Coll: Henry's Acco^t its return'd you with directions of My Lord for paym^t my compl^{ts} to him & am glad as an Instrument to his Service. May all Happiness attend you

Y^{rs} Sincerely
Cecil^s Calvert

Pos^t I wo^d write you News if I could say Certain, that I may not totally be deficient is inclosed you, Magazines & other Public Occurrences. At all the Counties & Burrough Towns in Great Britain have Address'd his Majesty on the Success of His Arms the important Events of this Year. Y^r Bills of Exch. in y^{rs} of the 10th of April & 14 of May I much thank you for. I have been with M^r W^m Hunt Merch^t of Gold Square near Tower Hill he show'd me his Acco^t I find him & in the Name of the other Trustees is vest'd the sum of £19500 Bank Stock & to be laid out in his hands £6545: 16 dividends of the said Stock, all arising for the use & paym^t of Bills of Curr^y agreeable to Act of Assembly in 1734, the Act he has not by him, but no doubt of such an Act. The Trustees with M^r Hunt are all Dead, he is the Only Serv^g I think proper to Acquaint you thereof, that the Legislature of the Province may take such Measure of Ap-
