In answer to your Honours Message by Esq^r Hall we think fitt to Acquaint you that we have perused the Law relateing to differences between the English and Indians as to buying & Selling Liquors &c^a but gives no Authority to the Governour according to our Judgments to grant a Comission to Any Person or Persons to Ascertain the bounds of the Indian Lands neither do we Conceive it Can be done wthout a Short Bill being Prepared for that Purpose which we leave to your Consideration

Your Message by Esq^r Lloyd This House hath Considered and Altho We are not inclined to Enter into Controversies neither are we willing to burthen the Country with an Unnecessary Charge as we take this to be the Chancellor being obliged to remitt them And no Law gives him an Allowance and its no Novelty for officers to do some Services by Vertue p. 110
