A Bill from the Lower House by M^r James Lloyd and five others for the better Relief of poor Debtors thus Endors'd (Viz)

p. 30 By the Lower House of Assembly Oct^r the 30th 1722

Your Honours proposing many Alterations in the Bill for the better Relief of poor Debtors we thought it more eligible to have one wholly transcribed than to send up the old Bill to your Honours with the many Blots and Interlineations that could not be avoided, and we hope the Bill as it now stands will be Agreeable to your Honours
