

U. H. J. plication of the mony arising from the additional Duty on Irish Servants being Papists and Negroes for the Uses & Intent for which the same was raised; made Report of the Conference to the Board, which Report is as follows (Viz)

By a Conference held at the House of M^{rs} Kennedy Nov^r the 1st 1722 to Consult proper measures for disposing of the money rais'd for erecting Schools in the Several Counties of this Province

The Conferrees are,

from the Upper House,

The Honble Col Matthew Tilghman Ward,

from the Lower House

The Honble	{	Col John Mackall		M ^r James Lloyd
		Thomas Bordley Esq ^r		Col John Ward
		M ^r Rob ^t Tyler		M ^r Robert King

Upon mature Consideration, the Conferees report it as their opinion

1st That one School be erected in some convenient Place in each County

2^d That there be seven Persons appointed by Act of Assembly for every County as Visitors of the School of that County, whereof the Major part to be enabled to Act; and in Case of Death or Absence to perpetuate their Succession in the same Manner as is provided for the free School of Annapolis and that they be a Body Politick

3^d That such Visitors purchase some Convenient Parcel of Land for the Use of such School to contain one Hundred Acres or thereabouts, and as near as they can, that one Half thereof may be fit for a small Pasture & Corn-field and the Rest for Wood Land, and for keeping the Fencing in good Repair and finding fire-Wood; but that none of that Moiety reserved for Woodland be cleared by any Master, otherwise than for the use aforesaid unless by consent of the Visitors, nor any Master be suffer'd to make 'Job^o thereon

4th That in Case such Land hath not a Convenient House for a School Master to live and teach School in that the Visitors provide such House; but that especial Care be taken that such Settlement be made for them at such Place in each County as may be most Convenient for the Boarding of Children

5th That the Visitors take proper Methods to encourage good School masters capable of teaching a good Grammar School and also the Mathematicks if such Master can con-
