Col^o Word from the Upper House Delivers M^r Speaker
the Bill to quiet the possession of the Indians with the follow-
ing Message viz:

By the Upper House of Assembly. Octob^r 16th 1723

Gent.

Upon reading and Considering the Bill herewith Sent, the
Alterations proposed to be made by us therein, We found
were Such as Could not without Confusion be Interlined in the
Bill, wherefore we Judged it would be more Convenient to
write the whole Bill over with the Amendments, than to
propose them to be Interlind with which if your House Con-
curs, the same will pass.
