

And that for the further Compliance with his L^dsps In- L. H. J.
structions Appeals be Allowed from the Judgment of the
Com^{rs} of Review to England in such Cases & in Such Manner
as the Laws of Great Britaine and this Province Admit of.

Wee Likewise Observe that Greater Inconveniencies May
arise from that Paragraph in this Bill which provides for the
release of those Persons under Execution, for Costs awarded
by the Comm^{rs} of the first View. who upon their having a
Right to Appeal are to be Discharged from the Sherrifs Cus-
tody, and Cannot be taken again untill such Time as that Ap-
peal is Determined so that they may forever avoid paying
such Costs for tho' they have a right to appeale They are not
Obliged to do it And besides we think it reasonable, that
before they are discharged they shall give Security for the
payment of such Cost and the Damages Occasioned by the
Delay if the first Judgment should be Affirm'd otherwise they
becoming Insolvent or Absenting themselves the party in
whose favour the Judgment was Given may loose this Cost
but we are of opinion that this paragraph might be wholly
omitted Provision being made to Impower Com^{rs} of Appeale
to Adjudge all former Costs and Damages upon reversing
Such Judgment. For the reasons aforesaid and for the Dis-
patch of the Publick business we have together with the Bill
sent from yo^r House sent another Bill w^{ch} we have prepared
w^{ch} we are of oppinion sufficiently Provides in all the Cases
before recited. And propose to you either to Accept our Bill
or amend yo^r owne w^{ch} you shall think most Convenient.
