Gentlemen.

The Reason you give for the Reasonableness of the allowance of 150^t Tob^o p Day for the Attendance of the Private Councill under the Crown viz: That the whole Revenue for Support of Government was otherwise applyed does still Evidently Subsist, for we have no Possibility of Coming at any part of the money Raised for Support of Government, therefore it is Reasonable some other Provision should be Made for us. The Message You are pleas'd to Refer us to of the 25th Octo^r 1723 in Your (not our) printed proceedings no ways Convinces us of the unjustness of our Claime, but Rather than delay the Publick business at this time by Contending (tho for an Equitable Right) with an Obstinate People, we shall Refer further debates thereon to another Opportunity.
