An Act to prevent the injuring Harbours within this Province; and for repealing the Act therein mentioned.

Whereas, notwithstanding the Laws heretofore made for the Preservation of Harbours and Landing-Places, within this Province, Masters of Ships and Vessels, and others, having the Charge or Command of Ships and Vessels, have caused or suffered great Quantities of Ballast, from on board their Ships and Vessels, to be thrown into the Rivers and Harbours within this Province; whereby many safe and very good Harbours are already spoiled, or rendered dangerous; which Practice, if not timely prevented, will be very hurtful to the Trade and Navigation of Great-Britain, and entirely destructive to the Trade and Navigation of this Province. And be it Enacted, by the Authority aforesaid, That no Person whatsoever, shall presume to build any Ware, or Hedge, cross any River, Creek, or Branch, below any publick Landing-Place, so as to
