A Message from the Lower house by M<sup>rs</sup> Hooper and Stoddert with the following Act

By the Lower house of Assembly 4 May 1736

May it please your Honours

This house agrees to the Amendments proposed by your Honours to the Bill Entituled a Supplementary Act to the Act Entituled an Act for Limitation of the time of shipping Tobacco, but as the Amendments will occasion the greatest part of it to be obliterated we conceive that a short Bill contain<sup>s</sup> the parts which Your Honours agree to will fully answer the Intention of both houses and be better than to have the Amendm<sup>ts</sup> made in the former Bill, and therefore We now send your Honours such a short Bill past by this house together with the former Bill that you may have an Opportunity of seeing whether the present Bill be agreeable to the Amendments you proposed in the former
