

L. H. J. our paper Money passing in Payment of the 40<sup>t</sup> p Poll and officers  
 Lib. No. 45 fees and according to the Bill for Our Paper Currency as it now  
 stands the Naval Officers insist upon it that their fees are due in Gold  
 or Silver how then can I be in any manner Concerned in the Deter-  
 mination of this point which can be only legally determined by  
 Course of Law

As to any disputes betwixt the Upper House of Assembly and  
 your House relating to your Respective Rights & Priviledges I  
 shall not take upon myself to determine them nor am I well satisfied  
 that you would be willing that I should do so however this I think  
 I may promise you that whoever is intrusted with any of the pub-  
 lick money shall upon the Application of your House be Ordered to  
 lay their Accounts before you which I hope will deprive them of an  
 opportunity of committing with Impunity either Frauds Extortions  
 or Embezzlements altho the Upper House should not think it proper  
 to allow their members to wait upon you in Person as often as you  
 shall please to send for them
