Major Sprigg from the Committee appointed to inspect how the funds for the several County Schools have been applied delivers M<sup>r</sup> Speaker the following Report viz.

By the Committee appointed to inspect how the funds for the several County Schools have been Applied June the 9<sup>th</sup> 1739

Your Committee have caused a diligent search to be made for the several Treasurers Accounts of the Eastern and Western Shore from the year 1723 down to this time and cannot find James Holliday Esq<sup>r</sup> Treasurer of the Eastern Shore his Account for the year 1731 but believe it to be mislaid and forasmuch as the Accounts Col<sup>o</sup> Samuel Young late Treasurer of the Western Shore are so complicated viz. the Sterling with the Current Duties and the different Exchanges currency for Sterling that it will take a great deal of time and deliberation more than can be conveniently spared in Assembly time to state the several Sums Annually Raised for the Uses aforesaid and proportioning the same to the several Countys in which your committee have proceeded so far as the nature of the Affair will at present Admit of. All which is Submitted by your Committee to the Consideration of the House
