

Liber also in her owne before the face of the Co^{rt} and further sayth
 P. C. R. not John White & his marke

Jurat coram Philip Connor.

Thomas Southerne being Examined swears the same verbatim
 with John White Thomas S Southerne his marke

Jurat coram Philip Connor

The depⁿ of John White aged 22 yeares or thereabouts taken the
 13th of August 1660 sworne & Examined Sayth That sometymes in
 January last being falling of a tree yo^r depon^t and another man that
 Thomas Watson stood under the said tree yo^r depon^t bad the said
 Thomas Watson stand from the tree, else the tree would knock him
 on the head the said Watson replyed he did not care if any man
 would nock him one the head for his disease would kill him and
 further he deposeth not

Jurat coram Philip Connor

John & White

The depⁿ of John dabb taken before M^r Philip Connor Sep^t 29^o
 p. 800 1660 Sayth That aboute the 17th of February last past Thomas
 Watson Seru^t to Cap^t Thomas Bradnox came to my howse being
 very sick and much Swelld with the Scurvy and Thomas Wetherell
 in yo^r depon^{ts} presence did strip the said Watson to uiew him And
 yo^r depon^t did then see the Members of the said Watson and they
 were broken, and the Skyn gone of them And yo^r depon^t did hold
 the Candle while Thomas Wetherell did anoynte them and wee did
 aske the said Watson whether or noe his Master or Mistres had
 abused him and he sayd noe, but his desease was the cause or words
 to that Sence and purpose And yo^r depon^t saw afterwards when the
 said Watson was dead his M^r Cap^t Thomas Bradnox to handle the
 said Corps and further sayth not, but the said Watson then sayd that
 his M^r and Mistres did keepe a greate Stirr with him to walke and
 stirr aboute and further sayth not

Jurat coram Philip Connor.

John dabbs † D his marke

Thomas Wetherell haueing heard the same read according to John
 dabbs testimony doth affirme the same verbatim And further sayth
 that Cap^t Thomas Bradnox did touch the Corps of Thomas Watson
 and thrust his Thumb vpon his body to shew how his flesh did dent
 and stirrd and shogd the Corps which on my oathe at Poynt Loue I
 did then relate the 17th July last past And further I did not in the
 leaste see any blood come from the Corps where Cap^t Bradnox
 touched him and further sayth not but Thomas Watson tould yo^r
 declarant he had not drinke enough

Thomas ⊕ Wetherell his marke

The depⁿ of Charles Hollinsworth aged 21 yeares or thereabouts
 sworne and Examined the 7th of Sept^r 1660 before M^r Philip Connor
