Sir We have received yours of the 19th Ins^t and request you to have the Flour sent by M^r M^cBryde, mixed with the Ship Stuff and baked into Bread proper for the Army or Shipping, without Delay

[Council to Colo. Solomon Stympson]

Sir We cannot conveniently send you any Money by M^r Jones as the Treasury is in a very exhausted State. We wish you to sell the Bags made for removing Corn, to the greatest Advantage, they will probably put you in Cash. The Storeage and Transportation of Grain ought to have been paid in Certificates. The Words of the Law are general and go to every Expen^ce necessarily incurred in the Execution of it. If the Deficiency of Grain was unavoidable and not by Neglects or Embezzlements, the Loss ought, in Iustice to accrue to the State, if otherwise, the Persons employed should make it good

Sir We received yours of the 10th Ins^t and have to lament that you should be so backward in your Collections. You must be mistaken respecting the Collection of the 5[£] Tax, as the 10[£] is to be paid in, by the 10th July and the 5[£] ought to have been paid before this Time. We request you will furnish M^r Poe, agreeable to an Order given him
