[Council to Board of War]

Liber C C

Gent The Governor and Council have been very much embarrassed about the Cloathing due to the Men discharged from the Maryland Troops. Some few have been supplied on the Certificates of the Regimental Paymasters, but the Board did not think themselves Sufficiently authorized to continue doing so, and the Resolve of Congress of the 16th Aug^t 1779, received in a Letter from your Secretary of the 13th March, confirmed them in that Opinion, as, by that, it appears Money is to be paid in Lieu of the Cloathing, by the Regimental Paymasters, out of the Military Chest. That cannot be done now with the Men already discharged and the Board are anxious, Justice should be done them, therefore would be glad to receive Authority from Congress to pay for the Deficiency of Cloathing at the estimated Price out of the Money required from this State.
