[Gov Lee to His Exy Govr. Jefferson]

Sir A certain Stephen Mister of the State of Virginia, stands indicted in the General Court of this State, for High Treason committed within this State: He was committed to the Goal of Balimore County from whence he escaped. Soon after which, he was apprehended in Virginia and delivered to the Sheriff of Worcester County, to be returned to Baltimore, but he again made his Escape. I am informed he is now confined at Richmond to take his Trial at the approaching Court, for Treason against the State of Virginia, and that it is apprehended the Testimony will be incomplete from the Absence of Witnesses. Should he be acquitted from the Insufficiency of Evidence, I must solicit your Excellency to direct a Delivery of him to an Officer of this State for the Purpose of being tried for the Offence perpetrated against the State of Maryland and to that End I have enclosed your Excellency a Transcript of the Record p. 151 under Seal.
