Sir We refer you to the enclosed, which we request you will deliver and at the same Time give the necessary Information & Assistance to the Commissary in Order to have the Flour removed as speedily as possible

[Council To the Continental Commissary at the Head of Elk or of the District including Duck Creek.]

Sir We have received Information for M^r Josiah Johnson, one of the Commissioners in Kent, under the Law for the immediate Supply &^{ca} that the Grain and Flour which he had procured, was lodged at Duck Creek and that he had wrote to M^r Henry Hollingsworth he was ready to deliver it to his Order, to which he had received no Answer. We cannot account for this Delay in forwarding the Provision to the Army for which there have been and continue, such urgent Demands, and are apprehensive some other Supplies from this State to Duck Creek may be under the same Circumstances. This is a Matter of so much Consequence we doubt not, you will have it immediately examined into and the Cause of the Delay discovered and removed. We enclose this to M^r Johnson and request you will have the Provision received & forwarded.
