Sir Yours of the 10th of August was received and we are really sorry for the Sufferings of you and your Regiment and wish it had been in our Power to have given them immediate and ample Relief; but, such has been our Situation with Respect to Money, that we have not been able to gratify our Inclinations by supplying you with the Stores &^{ca} ordered by the General Assembly. We have given Cap^t Boyer Orders on the Treasury for all the Stores due the several Officers of your Regiment, from Maryland, to the first Day of October next, and have furnished him with Stores Sufficient to the first Day of January next: as soon as it is in our Reach they shall be supplied with the necessary Cloathing. We have appointed Cap^t Boyer to issue these Articles, which he is to account for. As there is more Rum sent forward than will be sufficient for the Officers, Cap^t Boyer has Directions to issue it, on your Order, to the Soldiers in the Proportion ordered by the Assembly
