Sir Your Letter of the 23^d Ins^t we received & are much surprised the Comm^{rs} of Baltimore Town have not returned the French Flour that was seized in your Possession last Winter, as they have long since had our Order for that Purpose. We have wrote to the Comm^{rs} directing them to deliver the Flour immediately and to inform us of the Cause of so long Delay. There is no great Probability we shall have it in our Power to supply you with the Flour required by M^r Holker within the Time mentioned in your Letter,
