Sir We received yours of the 29<sup>th</sup> Ult<sup>o</sup> and shall order the State  
Boats to proceed down with all possible Dispatch, likewise a Barge  
and whale Boat, if we can Man them. Our Boats returned lately  
from below. Commodore Baron having left this about a Week past,  
with an Intent to cruise about the Sound and Island, we hoped you  
would at least for some Time, have been free from the Enemy's  
Depredations. If Information is made to any Magistrate, sufficient  
to induce him to apprehend any Persons who may have given Assis-  
tance to the Enemy we request you to send them up under Guard,  
with the Affidavits and Papers which may found the Ground-work  
for apprehending them, and if any Information can be given us of  
any persons, whose going at large may be dangerous to the Govern-  
ment, we will take the necessary Steps to secure them. We hope no  
Man will be so lost to the Reputation and Interest of his Country,  
on this Occasion, as to Suffer the Enemy to insult us with Im-  
punity.
