Sir We received yours of the 7th Ins^t As we have nothing but Money of the new Emission in the Treasury, which you write, will not answer your Purpose, it is not in our Power to Supply by this Opportunity. The Wheat of this year being of an extraordinary good Quality, we believe, if all the Produce, when ground, excepting the Bran & Shorts, is mixed, it will be fit for the Use of the Army. The Flour from your County is to be sent to the Southward, it will therefore be proper to forward it to George Town, to be delivered to Thomas Beall Jun^r

[Council to Henry Schenebely Esq^r]

Sir We have received a Letter from the Quartermaster General, informing us that the Army have no Occasion for a further Supply of Horses & Waggon, it will therefore be proper to cease purchasing any more. M^r Calhoun has not any Linen on public Account as we know of, but should Col^o Shyrock have any that he is satisfied belongs to the State, which is fit for the Purpose you mention, we hereby request him to deliver it to you. All the Provisions you have obtained excepting the Bran & Shorts and other Forage necessary for the Horses you employ, must be forwarded to George Town, as speedily as possible and delivered to M^r Tho^s Beall Jun^r at that Place. The Waggon & Teams you have purchased, may be employed in that Service, until you receive further Directions. We would send you a Sum of the new Money by this Opportunity, but are informed, it will not answer at present in your County, and do not think it proper to draw on the Clerk for the Ordinary License Money. In a short Time we hope to be able to send you a Sum of Money
