Sir. The Proposals in yours of the 23^d Ins^t have been considered and they do not appear to be such as we can, with Propriety, close with. Sir. I had the Honor to receive your Excellency's Letter of the 16th Ins^t in the Evening of the 24th The important Subject of it was instantly communicated to the General Assembly of this State which, happily, was then sitting, and I have the Pleasure to assure your Excellency, the Resolution of that Honorable Body is, to make the most vigorous Exertions, in sending forward every Supply the State is capable of furnishing. The Enclosure is a Copy of the Law passed for the Purpose, which, I trust, is a clear Manifestation of their laudable Intentions, and which, judging of the Disposition of other States from our own, I flatter myself affords a well grounded Hope that the Wants of the Army, will be speedily satisfied.

I have the Honor to be with the most respectful Attachment
