Sir On receiving yours of the 18<sup>th</sup> Ins<sup>t</sup> we applied to the Treasurer, to know what Money was on Hand, and find it is not in our Power to draw, at this Time, there not being more than 6000£ in the Treasury. By a Return from you of the 31<sup>st</sup> Dec<sup>r</sup> 1779, we observe there were then in Harford County 500 Barrels of Flour, unpacked, 1820 packed and 13,700 Bushels of Wheat; and in your Letter of the 18<sup>th</sup> Ins<sup>t</sup> you write that you had forwarded about 1400 Barrels of Flour and had about 300 Barrels on Hand: This requires an Explanation, which we request you to give and to transmit us an exact Account of what you have been able to obtain, for the Information of the Gen<sup>l</sup> Assembly
