p. 522

M^r Smith delivers M^r Speaker the following Report, viz.

By the Committee appointed for the dividing of Prince George's County.

Your Committee by due Inspection do find, that it will be convenient to the Inhabitants of Prince George's County, if only one Division be made, to have the Division of the said County begin at the mouth of Rock Creek, and from thence, running up the said Creek, to Kennedy Farrell's Bridge; and from thence by a streight Line to Peter Murphy's Ford; and all the Lands to the Northward and westward now within the Bounds of Prince Georges County, to be the County now to be erected. But if two Divisions be made, to have the first Division begin at the mouth of the Eastern Branch of Potomack River, and running to the Head thereof; then by the Lines of Prince George's and Queen Anne's Parishes to Patuxent River, then up Patuxent River to John Parr's Spring, commonly called the uppermost Spring of Patuxent River, then with a streight
