U. H. J.  
Liber No. 34

Gentlemen We are very Sensible of the Necessity of Dividing Prince Georges County that Frederick Town is the most Convenient and agreeable Place to the Back Inhabitants to fix the Court house in, we are also Sensible that if his Lordship should Dessent to the Act after some Progress made towards Carrying it into Execution It would be very prejudicial and should any Actions be Commenced; they would be Discontinued, which would be very hurtfull to the People and Create much Confusion and if any Particular Time was to be fixed tho a Long One, the People could not be at any Certainty even at the Expiration of such Time, as ships are Lyable to be taken in War Time Either coming from or going to England, and since it may Possibly happen, that his Lordship may Signify his Approbation of the Act soon which would put the Execution of the Act beyond all Doubt & uncertainty therefore we hope you will agree to the amendments Proposed

Signed p Order John Ross Ct Up H.
