

for the aforesaid Two Tracts of Land, bearing Date the 14<sup>th</sup> of September 1686, from the said Richard Wade, to a Certain Thomas Hussey, his Heirs and Assigns for ever. We likewise find that the said Thomas Hussey, by his Last Will and Testament, duly proved, bearing Date the 6<sup>th</sup> Day of February 1699 and 1700, did Give and Bequeath unto his Grandson Thomas Hussey Lockett, 1310 acres of Land, lying in Chingomuxon; of which we apprehend the Two above mentioned Tracts of Land, called Waidstone's Enlargement, to be part. We further find the last Will and Testament of Robert Price, of Charles County, duly proved on the 22<sup>d</sup> of June 1715: In a Clause of which are the following words, viz. "That is to say, 200 acres thereof I give unto my Daughter Elizabeth, and to the Heirs of her Body for ever and for and on Default of such Issue, then to my Daughter Mary, which God was pleased to bless me with, by my second and present Marriage, to her, and her Heirs for ever" p. 708  
 Which 200 acres, your Committee presume to be part of a Tract of Land, called St. Patrick's Hill, mentioned in the said Petition. And we likewise believe, that Anne the wife of Jeremiah Adderton, is Daughter and Heiress of the aforesaid Elizabeth, Daughter of the aforementioned Robert Price the Deviser, and lastly, we find that the Tract of Land Called Waidstones Enlargement, patented for 100 acres; and that part of the Tract of Land, called Waidstone, measuring 112 Acres, according to the Courses, mentioned in the aforesaid patent (leaving out the words, Two Degrees South, in the fifth Course, which we apprehend to be a Mistake) by the Information of M<sup>r</sup> Bayne Smallwood, is better in Quality, and of greater value, than the aforesaid 200 acres, part of St. Patrick's Hill: All which is humbly submitted to the Consideration of your Honourable House  
 Signed per Order W<sup>m</sup> Wilkins, Clerk
