An Act for the Enlargement of Baltimore Town, in Baltimore County, and other Purposes therein mentioned.

Chapter XXI

Whereas the Inhabitants of Baltimore Town, in Baltimore County, by their humble Petition to this General Assembly, have set forth, that there is between what was formerly called Jones's Town and Baltimore Town, a Parcel of Land, of about Eighteen Acres, which is not included in what was called Jones's Town, nor in Baltimore Town, and which by being laid out into Lots, would, by means of a Bridge, which is already built, reduce the said Places into One, and that making such Addition, would be an encouragement to People to build and improve; they therefore pray that the said Eighteen Acres of Land, or thereabouts, may be laid out into Lots, and made a Part of Baltimore Town: And further, the said Petitioners set forth, that sundry of the Lanes and Alleys of Baltimore Town were made so narrow as to render them inconvenient, if not useless; wherefore they pray, that by Consent of the Owners of Lots in said Town, the said Lanes and Alleys may be enlarged.
