

Under the Conference Chamber

L. H. J.  
Liber No. 46

2700 weight of Ball, 300 weight of large Shot, and 980 weight of Bar Lead.

In the Repository.

72 old Guns, out of Repair.

In the Powder House

39 half Barrels of old Gun Powder, 38 Cags of Shot, each containing half a hundred weight; a Box of Flints, The following imported since last Session by the Baltimore; 8 Half Barrels Gun Powder, 6 Barrels ditto; 100 Cags Shot, each containing half a hundred weight; 5 unopened Chests, containing as per Invoice 320 Carbines, Bayonets and Slings) 5 Carbines, Bayonets and Slings, in a Chest N<sup>o</sup> 1, 3 Cases containing 250 Swords and Belts, as per Shop notes.

We find the Arms and Accoutrements in the Council Chamber clean and in good Order, and the several other Arms and Accoutrements mentioned in this Report, generally in good Order; excepting the 72 old Guns in the Repository, most of which are out of Repair.

We farther find, that since last Sessions, the Armourer, (by the Governour's Order) has delivered to sundry Persons the following Arms and Ammunition, as per Receipts appear; viz.

To Capt. Willson, per Order Col. Belt, one Drum

To Samuel Magruder—one ditto

To Capt. Belt, per Order, Col. Belt one ditto

To M<sup>r</sup> Mouat, a Flag and one Drum

To Augustine Sylvester, one Carbine

To Capt. Ogle, one Trumpet

To Capt. Debutts, 30 pair of Pistols, and Holsters, 4 Swords and Belts, and one Trumpet.

To Capt. Thomas Cresap, 60 Carbines with Slings, 10 Pair of Pistols with Holsters, 10 Swords with Belts, and half a Barrel of Powder.

To M<sup>r</sup> James Johnson, 2 Half Barrels of Powder, Cut.

To Capt. Hargrave. 2 Half Barrels of ditto, Cut

To Capt. William Rogers, 15 Muskets with Slings.

All which is humbly submitted to the Consideration of this Honourable House

Signed p Order, Tho. Jennings Cl. Com.

Which being read, the House concurs therewith.

The House adjourns to 2 of the Clock
