

is time I have settled for the receiving of them. I am greatly disappointed in the intrest, many pretences are made for the dis-
 appointments. Money must be had for near one half of my purchases
 of the 10000 ordered by the Council on the Sheriff of this County
 only £510 is paid; I should be glad that Vinegard cou'd be engaged
 to drive the Beeves to the head of Elk as I know of no one here
