

L. H. J. annexed, that the said Barnes had proved his Account in any Man-
 Liber No. 47 ner whatever. And moreover, had the said Nalley been actually
 June 7 committed to him as Coroner, detained in Custody, and supported
 with Provisions agreeable to Law; neither by Proclamation, or the
 Law regulating Officers Fees, would he have been intitled to the
 Sum by him charged. In the Account formed by the said Barnes
 against him the said Nalley, the first Article thereof is never charged
 by any Officer to a Defendant; which, upon the least Attention of the
 said Court, might have been discovered.

It further appears to this House, that the Court of the said County
 broke up at 9 or 10 of the Clock at Night; and that the last Thing
 transacted therein was giving the said Judgment, and assessing Dam-
 ages; of which the said Nalley was no ways acquainted, and there-
 fore out of his Power to have Redress by Writ of Enquiry of Dam-
 ages; which we humbly conceive he was intitled to, upon Application,
 the same Term, agreeable to the Directions of an Act entituled, An
 Act for the Amendment of the Law, and the speedier Advancement
 of Justice in Relation to the assessing of Damages, Body of Laws,
 Folio 229.

We take Leave to annex hereto a Report made to this House by
 the Committee of Grievances and Courts of Justice, upon the Subject
 of the said Nalley's Complaint; and to observe to your Excellency,
 that Mr. Walter Hanson, one of the Justices who sat on the Bench
 at the Time the Judgment was rendered, appeared before this House
 on the said Complaint, and acknowledged that it was a wrong Judg-
 ment, and given and entered in a Hurry, without Considering the
 same; and that altho' by the Clerk's Entry of the Stile of the Court,
 ten Justices being on the Bench, yet there were no more than the
 said Walter Hanson, Daniel of St. Thomas Jenifer, and Robert
 Yeates, sitting in Court at the Time of rendering the said Judgment.
 We humbly conceive, that the several Justices being tied by an Oath
 to do equal Law and Right to all the King's Subjects, ought with
 great Attention and Deliberation, to discharge the great Trust com-
 mitted to, and reposed in them.

We therefore humbly pray, that your Excellency will take the
 Subject Matter of the Proceedings of the said Court in Relation to
 the said Judgment; and the Conduct of the said Robert Yeates, and
 p. 168 Daniel of St. Thomas Jenifer, therein, into your Consideration; and,
 in Order to prevent Evils of the like Kind for the future, to do
 therein, as to you in your Wisdom shall seem right and just.

Was read and assented to, and signed by Order of the House by
 the Honourable Speaker.

Ordered, That Mr. Lloyd and Major Barnes do acquaint his Ex-
 cellency, that this House hath prepared an Address to him, and de-
 sires to know when and where he will please to receive it: They
 return, and acquaint Mr. Speaker, that the Governor signified he
 would receive the Address at 11 o'Clock in the Conference Chamber.
