The Council met

Present

The Honorable John Davidson, Charles Wallace & Aquila Paca Esquires.—

The Account of William Moore against Doct<sup>r</sup> Henry Stevenson Balance due One hundred and fourteen pounds, nine shillings and four pence passed by the Aud<sup>r</sup> Gen<sup>l</sup> September last, exhibited to this Board and examined & approved.—

A Petition from James Franklin of Baltimore County, was laid before the Board setting forth that in the Month of September 1783 he became bound in a Recognizance of fifty pounds Specie for the Appearance of John George at the Criminal Court of said County to answer an Accusation of Stealing a Saddle and the said George not appearing agreeable to his Recognizance, he became liable for the said fifty pounds, and as the ends of public Justice do not require so rigorous a forfeiture and praying a Remission of the said Recognizance—and seven of the Justices of Said County having recommended a Remission of the said fine the Board taking the same into Consideration, are of Opinion the fine of fifty pounds ought to be remitted, and do order a Remission accordingly.
