

Greene. Yes I liu'd in the howse wth her. did yo^w know whether she was wth Childe. hee did not know but she was uery bigg—then the said William Wheeler was demanded whether hee heard any thinge Cry wth a uoyce in the likenesse of a Childe. Yes something hee did heare like the uoyce of a Childe att the time that she was sicke [p. 296] Liber B B

Thomas Taylor examined saith that hee Came into the howse when she was lying on the Ground and asked her what she ayled and bid her goe to bed, and that she had milke and water in her breasts two months before—

Grace Parker Examined saith That she was a stranger to the wench and did not see her aboue once all the time she was wth Childe and that she did search her breast and the wench deny'd she was wth Childe but there was milke in her breasts And it was a goeing away being hard and Curdled—And she desireing her to declare after she was deliuered what she had done wth her Childe she said she had buried it in such a place but when they Came to search for it they Could finde noe such thinge—

John Dessick examined saith Being asked was yo^w wth Pope Aluey in the woods, answered yes. doe yo^w know how bigg the sticks was that hee struck her withall. Yes, it was a small stick lesse then his little finger by a greate manner being asked whether the Homony that Pope Aluey put into Alce Sandfords mouth was hott or Cold hee said Cold—

Thomas Sprigg his Charge drawne up against Arthur Nottool These are to Certifye that Arthur Nottool sometime in June last past was Committed a prisoner into my Custody upon suspitiōn of Burglary and according to warrant directed to mee bearing date the 13th June last past signed by M^r Francis Anketill the said Arthur Nottool did take into my Custody and put Irons upon his leggs and lockt him in a Close roome and put a watch ouer him for his more sure keeping, notwithstanding on tuesday last past in the night time the said Nottool did unfetter himselfe and breake his prison and further broke into my milke howse and tooke away 3 Cheeses wth him and a Canuas bagg and two loaes of bread and into the woods hee went and was escaped till by narrow search hee was found Wittnes my hand this 5th July 1664— Thomas Sprigg
