

L. H. J. his Son Thomas Wootton to St. Omer's to be educated. Mr. Wootton  
 Liber No. 47 (I thought) seemed at that Time, a little inclined to hearken to  
 October 29 his (Mr. Waring's) Advice, on Account of the Cheapness and Good-  
 ness of Education there, as Mr. Waring pretended. Mr. Wootton  
 has lately mentioned the same Thing to me, but with some Express-  
 sions of Dislike

I have heard it reported, That a Priest in St. Mary's County, upon  
 marrying of a Couple, the Man a Protestant, the Woman a Roman  
 Catholic, swore the Man, before he would marry him, That he should  
 bring up his Children in the Romish Faith.

Mr. Francis Waring, of Prince George's County, Gentleman, aged  
 thirty eight Years, or thereabouts, being sworn on the holy Evange-  
 lists of almighty God, deposes and faith, That about nine or ten  
 Years ago, Mr. Richard Marsham Waring, of the same County,  
 Gentleman, died, and left four Sons, three of which he directed, by  
 his Will, should be brought up in the Roman Catholic Faith, by their  
 Mother, who was a Protestant; but if she neglected or refused so to  
 do, then their Uncle, Basil Waring, was directed to take them, with  
 their Fortunes, and bring them up agreeable to the said Will; their  
 Mother lived four or five Years after their Father's Death, and dur-  
 ing her Life carried them to the Protestant Church, during which  
 Time, their Uncle never offered to meddle with them; when she died,  
 Basil Waring then took the Children, but a Dispute arising about  
 the Child that was not directed to be brought up a Papist, Mr. Henry  
 Hawkins, of Charles County, their Grandfather, thought he had a  
 Right to take him, and to see to his Education, on which he applied  
 to the County Court, but they directed Basil Waring to take him,  
 with the rest of his Brothers; since that, he has sent the eldest Son,  
 Richard, to Saint Omer's, for his Education, and has shewed this  
 Deponent several Letters that he has received from him, the first  
 Letters he seemed much pleased with being sent there, and afterward,  
 writes very pressing to be taken away, upon which, I asked him what  
 he would do about it? he told me in answer, that he would not force  
 him to stay contrary to his Inclination, but would Order him to be  
 brought away immediately, though he had paid for a longer Time  
 than he had been there: Soon after he shewed me another Letter  
 from him, wherein he says he is very well pleased with his Situation,  
 and desires he would not send for him till his Time was out at School.
