Liber No. 48
March 14

able End; and once more send up to you, as a clear Testimony to all the World of the Sincerity of our Designs on this important Occasion.

p. 62 And now, may it please your Honours, insisting that our present Concession, in answering your several Objections to our Bill, shall not be drawn into Precedent, or any Way construed as derogatory to our ancient and undoubted Right in Case of all Bills, for Grants of Aids or Supplies to direct, limit, and appoint in such Bills, the Ends, Purposes, Considerations, Conditions, Limitations, and Qualifications of such Grants, which ought not to be changed by the Upper House; we sincerely hope, our earnest Desires to testify our Loyalty to the best of Kings on the present intended Expedition, (in which it must be acknowledged we are more remotely concerned, than almost any of his Subjects on this Continent, though we are willing so largely to contribute thereto), will not be frustrated by your Honours; and that you will no longer continue his Excellency our Governor under the present disagreeable Necessity of burthening the People, and incommoding us with such frequent Calls of Assemblies, calculated to compel us into a Bill of another Form, contrary to our reiterated and almost unanimous Determinations, and destructive to the Interests, and disagreeable to the Inclinations, of our Constituents.

Had your Honours pointed out any formal Improperities, or Inconsistencies, in the Bill, we should readily have found Means to have altered them, still retaining Substantials.

Signed per Order, M. Macnemara, Cl. Lo. Ho.

Was sent to the Upper House, by Mr. Tilghman and Mr. Sprigg.
