

L. H. J. levied in Kent County for Omissions in 1747 and 1748, and £5 in
 Liber No. 52 Dorchester County, for an Omission in 1747: In May 1750, the
 April 13 last mentioned Act was continued till the 1st of December, 1752,
 and in June 1752, to the 1st of December, 1753.

That in October 1753, a new Act passed, to continue till the 20th of December, 1755, giving the like Allowance to the said Jonas Green, subject to the like Abatement when no Session, as the Act of 1749, and laying a further Duty on him to Print the Inspection Law, passed that Session, for the Vestries and Inspectors, without giving any further Reward for that new Duty: That in February 1756, an Act passed to continue till the 20th of December, 1757, apportioning the said Jonas Green's Allowance by the Number of Taxables in the respective Counties, which was continued in September 1757, to the 20th of December, 1758, and which expired on that Day, tho' the Session, begun in November 1758, ended but a few Days before the Expiration of that Law: That in March 1760, an Act passed, to continue to the 2d Day of April, 1761, giving the like Allowance, and under the like Conditions, as the last mentioned Act, and also empowering the Justices of the respective Counties to levy in the Whole, £210 for his Salary in 1759, there not having been any Session in that Year.

p. 44 That the said last mentioned Act expired the 2d of April, 1761; since which there has not been any Session, and there hath been no Salary or Allowance to the said Jonas Green for the Year 1761. That the said Jonas Green hath at several Times Printed long Bills, Records and Papers, inserted in the Journals and Proceedings of the Lower House of Assembly, too numerous to particularize, for which he has not received, as your Committee can find, any Reward, more than his yearly Allowance, tho' the Votes and Proceedings have been swelled to a great Size, by the Insertion of such Bills and other Matters.

That since the Duties of Printing the Laws, and Votes and Proceedings, have been Blended, including May Session, 1747, and excluding the present Session, there have been Twenty-two Sessions, and Six Conventions of the Assembly, so that there have been Thirteen Meetings of the Assembly in and since 1747, more than at the Rate of one for each Year.

All which is humbly submitted to the Consideration of the Honourable House.

Signed p Order, John Rogers, Clerk.

Which was Read, and Ordered to lie on the Table.

The House adjourns till the Morrow Morning 9 of the Clock.
