

volumes of the *Archives of Maryland* have been published in its Court Series—the Proceedings of the Provincial Court, the Proceedings of the Court of Chancery, and the proceedings of four county courts—and in the editing of all of these volumes the Committee on Publications had the constant and untiring counsel and assistance of Judge Bond. For this invaluable help it is deeply grateful.

The next volume of the Archives of Maryland, which is now in press, will be the *Proceedings of the General Assembly of Maryland, 1706-1708*.

Respectfully submitted,

KENT ROBERTS GREENFIELD,

J. HALL PLEASANTS (*editor*),

RAPHAEL SEMMES,

*Committee on Publications.*
