Introduction

...and the Select Committee on the Economy for the future, with a view to ensuring that the comprehensive and integrated approach to economic development and infrastructure planning is maintained. The Select Committee on the Economy for the future will be responsible for overseeing the implementation of the comprehensive approach and for ensuring that it is effectively integrated into the overall economic strategy. The Committee will also be responsible for ensuring that the comprehensive approach is maintained over the long term and for reporting to the Assembly on its progress. The Select Committee on the Economy for the future will be chaired by the Minister for the Economy and will be supported by a team of experts in the relevant fields.
