[p 221] Ordered that the Proceedings of the Board respecting the Salary of Daniel of St. Thomas Jenifer Esqr. Agent, be recorded, which are as follows.

On the twenty fifth of January last the following resolution was proposed by the Honorable John Kilty Esquire.

Whereas this Board did on the 20th. of April 1786 in virtue of Powers vested in them by Law appoint Daniel of St. Thomas Jenifer Esqr. Agent for special purposes, and did in consideration of the trouble and expense to be incurred in the execution of his Duty agree to allow him a Salary at the rate of five hundred pounds per Annum, and a Commission of one and a half per Cent on all Confiscated British property thereafter to be sold by him, and Whereas it appears that from the low Condition of the State in point of Credit and Finances he has been able but in a small degree to carry the purposes of his appointment into effect, and as it appears by his letter of this day in answer to the enquiry of the Board, that he believes the two principal Objects of his appointment are not further attainable, Resolved that from and after this 25th. Day of January the said Salary of five hundred pounds shall cease, that the Said Agent remain entitled to the Commission aforesaid and that the Board will hereafter make him reasonable compensation for any services which contrary to present expectation he may be enabled to perform.

On the question to agree to the Resolution.

His Excellency the Governor
