

Thirty pounds, five shillings and ten pence due him per Account passed by the Auditor General for Stationary found the General Assembly.

In Council June 4th. 1787

By the Petition of Adam Markley junr. of Frederick County it is set forth that some time before March Court 1784 he was recognized for his appearance on Account of an Assault and Battery, that he attended agreeably to the tenor of his said Recognizance but his Adversary did not appear to prosecute, that at August Court following his family being very Sickly and himself not very well he was unable to attend whereby his Recognizance became forfeited, that he attended at November Court and was fined three pounds which he paid and thought the matter entirely settled 'till lately the Sheriff called on him for ten pounds the forfeiture of his Recognizance; he therefore prays a Remission of the said forfeiture, And three of the Justices of the said County having certified the truth of the facts set forth by the said Petitioner, The Board upon Consideration of all the Circumstances do hereby order and direct the said forfeited Recognizance of ten pounds to be, and it is hereby remitted.
