[p 330] In Council June 30th. 1788

Samuel Miles of Baltimore County having by his Petition set forth that Licence was granted to a certain John Primrose to keep an Ordinary, that before the expiration of the year for which it was granted, the said Primrose moved from the House, and rented it to him the Petitioner who thought himself entitled to the benefit of the Licence for the residue of the year, and accordingly sold Liquors, for which he was fined at Baltimore County Criminal Court held January last, six hundred pounds of Tobacco, that he is very poor and offended through ignorance. And three of the Justices of the said County having certified that it appears to them that the above State of facts are true, and having recommended the Petitioner as a proper subject for the clemency of the Board, it is directed that the said fine be remitted which is accordingly done.
