In Council April 19th. 1793

It appearing to the Board on the representation of Jacob Comegys of Kent County and by the representation of the Chief Justice and the Associate Justices of said County, that the said Jacob Comegys was presented in the Court of the said County for not keeping the public roads in his care in good order according to Law by which the said Comegys incurred the forfeiture of five hundred pounds of Tobacco by the Judgment of the said Court, and it appearing further by the Representations aforesaid that the said Comegys was confined by a long illness and bad Health so as to be unable to perform the duties of an Overseer of the road, and that the said Comegys's case deserves the interposition of the Board, It is therefore ordered that the said forfeiture be [p. 226] remitted on the said Comegys paying all Costs on the said presentment and prosecution.

In Council April 19th. 1793

By the Petition of John Groves of Ann Arundel County, it is set forth that in this present Month of April he was fined by the Court of the said County six hundred pounds of Tobacco for retailing Spiritous liquors without licence. The Petitioner represents that he opened a store at Pig Point in the said County on the 15th day of May 1792 and being advised that a single Magistrate could grant a permit until the next sitting of the Court, he applied to Thomas Tongue Esq'r. whose Certificate thereof accompanies the Petition, that the Petitioner thinking the paper he obtained from Mr Tongue sufficient authority, retailed liquor as aforesaid, And thus ignorantly trespassed against the Law; he therefore prays a remission of the fine, and the Chief Justice and one Associate Justice of the said Court having recommended him to the Consideration and Clemency of the Board, it is hereby ordered that four hundred and fifty pounds of Tobacco [p. 227] part of the aforesaid fine be remitted, the Petitioner paying all Costs.
