This being a Court of Equity Jurisdiction only, there were no indictments found, and but one jury trial had, which was in the year 1865. In all causes of lunacy, or *non compos mentis*, a jury is summoned by order of this Court, and tried before the Sheriff of Baltimore City, and the verdict of said jury returned to this Court for its further action in the premises.

All of which is respectfully submitted.

SAMUEL M. EVANS,

Clerk.
