Convention met.

On reading and considering the petition of Thomas Wilson of the city of Annapolis, praying a remission of the fine set upon him by the committee of observation for Anne Arundel county, *Resolved*, That the same be granted.

In progression on reading the form of Government, on motion of Mr. S. Chase, the question was put, That all that part of the 56th article which follows in these words be struck out; "and for filling in the first instance only all the offices in the disposition of the governor with the advice of the council, the house of delegates may also propose to the senate a list of all officers in the appointment of the governor with the advice of the council, and on the senate concurring therein, or in the recommendation of any of the persons therein mentioned, such persons so recommended shall be commissioned by the governor; but if the senate shall not concur in the recommendation of any of the persons proposed as aforesaid, then shall a joint ballot of both houses be taken in manner aforesaid, for persons to be recommended for such offices, and the persons in whose favor such ballot shall pass shall be commissioned as aforesaid." Carried in the negative. 725
