THE committee to whom was referred the petition of John Bluebock, of Allegany county, report, that they have taken the same under their consideration, and find, upon inquiry, that there are a number of lots other than the lot of land stated in the petition, remaining unsold by Mountjoy Bayley, Esquire, the agent appointed by the governor and council under an act of assembly passed at November session, one thousand seven hundred and ninety-one, entitled, A supplement to the act respecting the settlers on the reserved lands westward of Fort Cumberland; that by the provisions of said act the agent was expressly restricted not to sell at less than five shillings per acre; that the land unsold is of that description so as to be contained within the restriction; and further it is represented to your committee, and they are of opinion, that the unsold lots are not of the value of five shillings per acre, but are of considerable less value; that the lots to be sold are few, and not an object for the agent formerly appointed to superintend the sales of them; your committee are further of opinion, that a sale thereof ought to be made, under the direction and superintendence of a person residing in Allegany county, and submit to the consideration of the house the propriety of giving leave to bring in a bill for the sale of said lots in the manner above prescribed, so that they shall not be sold at less than two shillings and six-pence per acre, that being the price of all lands in Allegany county affected by common warrants.
