Mr. Worthington, from the committee, delivers to the speaker the following report:

THE committee to whom was referred the petition of Robert Courtenay, of Baltimore county, report, that they have taken the same into consideration, and have examined all the documents and vouchers exhibited, and are of opinion that he is entitled to relief, and therefore submit the following resolution:

Whereas it appears to this general assembly, that Randolph Brandt Latimer, agent to the state, did, on the fifteenth day of December, seventeen hundred and ninety-five, sell to the said Courtenay a tract of land called Part of Carroll's Scrutiny, lying in Baltimore county, containing five hundred and seventy-six acres, for the sum of two thousand six hundred and forty-six pounds: And whereas by a correct survey made by the surveyor of Baltimore county, it appears there was a deficiency of twelve acres, the loss of which, and correcting the variation, by allowing one degree for twenty years, has entirely deprived the said Courtenay of the benefit of two fisheries and landings on navigable water: And whereas it appears that the survey made by the commissioners of confiscated property, by which the said land was sold, did include the said fisheries and landings, and that the said Courtenay purchased under an expectation of having the benefit of the same; therefore, RESOLVED, That the chancellor be and he is hereby authorized and required to inquire into the facts set forth in the petition of the said Robert Courtenay, and if the said facts are established to his satisfaction, that he direct, in such manner as he may see right and proper, the damages to be ascertained which the said Robert Courtenay hath sustained, and that on the said damages being so ascertained, and presented to the treasurer of the western shore, he pay the amount thereof to the said Robert Courtenay.

By order,

R. K. WATTS, clk.

Which was read.

The report on the petition of John Charles Francois Chirac and Henry Peters, was read the second time, concurred with, and leave given to bring in a bill pursuant thereto. ORDERED, That the committee appointed on said petition prepare and bring in the same.

A petition from William Seth, of Queen-Anne's county, praying compensation for his services as a soldier during the war, was preferred, read, and referred to Mr. Mercer, Mr. Dashiell and Mr. Lowrey, to consider and report thereon.

The following message being prepared, was read and agreed to.
